VOTE FOR

This letter is being written because I may be unable to see each of you in the short time between now and the election on August 11th In an effort to serve you, I have announced my candidacy for the office of COUNCILMAN, WARD NO. 2, City of Elba. With your support, it is hoped that I may be placed in a position to do some service for the benefit of our community.

I feel that there are many problems which need the attention of your council, some of which affect only a few citizens and others which concern everyone. No matter how small and trivial or vast a problem may be, it is the duty of your Councilman to consider it and solve it to the satisfaction of as many citizens as possible. This boils down to only one thing, and that is my promise to you if elected. I will strive with honesty and sincerity toward one end; the advancement of our entire community to make it a better place for ALL its' people. I humbly solicit your vote and influence in the forthcoming election.

When Grandmother was a girl, prayer was no stranger to her. She learned early to turn her thoughts to God and to ask Him for courage and for guidance.

The country was younger then. Men were still probing physical horizons in search of a better life for their families. Their quest took them to the sea in ships, or along the danger-filled trails to the West. Sometimes the women shared their peril. Other times, they stayed at home and waited, and that was even harder. But whichever their course, they prayed.

Our horizons are different today, and our lives filled with less danger. But we need prayer just as much if not more - than we did in Grandmother's day.

For 4 Years of Hard Work and Good Government. Pd. Pol. Adv. By Ray Trammell, Elba, Alabama

A Statement By

L. P. MULLINS

Candidate For

MAYOR OF ELBA

It has been suggested that a comparison be made of the last four years of progress of the City of Elba with any other period in the his-

I am glad this suggestion has been made and I gladly give you below

part of the progress during my administration as Mayor of the City of

My administration inherited a quarter million dollar debt dating from

1899 to 1915 covering school building, water works, sanitary and side

walk and curb and gutter construction. The City did not have a dime in

These debts had to be cleared up before any improvements and progress

was made. This was done and the City was out of debt by 1944.

This same year 1944 my administration purchased the Electric System

which we had strived to do for five years. Elba finances got in the

Without any additional tax we built the City Hall, we purchased two

fire trucks, one packer type garbage truck (these were the first Elba

had ever had). We purchased numerous pieces of street equipment.

We laid miles of water mains and sanitary sewers. We installed a new

500 gallon per minute well and constructed a new 100,000 gallon water

We paved practically all the unpaved streets in Elba and paid one

third of the cost. The total cost of all these improvements was around

.\$250,000.00. We paid half the cost of the Elementary school building

My Administration also worked for and secured sixty units of low in-

All these benefits and improvements without one cent additional tax.

I CALL THIS PROGRESS. It is my desire to continue this progress if

L. P. Mullins

come housing which has been beneficial to numerous families which

and \$30,000.00 in rebuilding and enlarging the High School.

My Administration also secured a slum clearance project.

otherwise would be living in sub-standard homes.

DOUGLAS EASTERS, President of the Elba Chamber of Commerce, presents \$50 check to R. W. DeVaughan as an expression of appreciation by the Elba business community for his bringing the first bale of cotton to an Elba gin this year. DeVaughan, a well known Coffee County farmer, lives on Elba Route 4. He has 87 acres in cotton this year. Mr. DeVaughan says that his success with cotton is due mostly to early planting. Early planting and the use of Soda makes a quick crop before the boll weevils have a chance to have several hatchings and results in less damage.
